

SUNRISE FAMILY FOCUS – THE JACKSON FAMILY

Family: The Jackson family consists of Barb, Brett, Trevor, Kylee, and Luke.

Occupations:

*Barb has been in nursing for approximately 30 years. She is working at Tendercare Long-term and Rehabilitation Center.

*Brett-23 is currently serving a four year term in the U.S. Army. He was recently promoted to Specialist and is about to leave for his survival camp experience.

*Trevor-21 works at the Winchester Restaurant as a preparation chef while working on a Culinary Arts degree at GRCC.

*Kylee-17 is a junior at Unity Christian and is involved in bowling and soccer. She is looking

forward to graduating next year and moving on to college.

*Luke-16 is a sophomore at Unity Christian and is involved in golf and is also working hard at being a good student.

How they came to join Sunrise: The Jackson family has been calling Sunrise their church home for about five years. Pastor Dave was one of their pastors in the past that they all truly enjoyed.

Hobbies they enjoy: Barb loves scrap booking and sewing. Brett is a huge outdoors man and enjoys all activities outside, including soccer and golf. Trevor spends his spare time bowling and golfing with friends. Kylee loves to cook, bake, and also enjoys spending time with friends on the weekends. Luke snowboards and skateboards in his spare time, and enjoys golfing.

If they had a blank check to take a vacation anywhere, where would they go and what would they do there? If their family had a blank check to take a vacation anywhere, they would all agree on Colorado. There is something for the whole family to enjoy: skiing/snowboarding in the mountains, golfing, and shopping of course. Barb also has a little brother who lives in Denver.

(con't on next page...)

Memorable event of the past year: The Jackson family doesn't go on many family vacations anymore because of the kid's ages and jobs, but this past year they traveled to North Carolina as a family to welcome Brett home from his first tour in Iraq.

How can Sunrise pray for this family? Sunrise can best pray for this family as they support Brett no matter where he is stationed. Pray for protection over his body as well as his mind as he fights for our freedom.

Thank you...

To Sunrise Ministries, I want to say thank you for the response to the Haiti relief efforts. Your contributions will be put to good use as we are serving as many Haitians in need of our service as possible. Some of the incredible stories pouring in are amazing. Your money helps us facilitate this type of ministry. THANK YOU! Kyle Warmington, Cure International.

Sunrise Vacation Bible School...

Advance notice: the Sunrise Vacation Bible School will be held the week of July 12-16. More details to come soon. Be sure to put this week on your calendar!

Words for Wellness...

The weather is nice and children are off on their bikes. This is great exercise but they should ride safely. Parents should insist on their kids wearing correctly fitting helmets, having the right bike size, knowing road safety, and coming home before dark if on a bike. Parents can be a great example by also wearing a helmet!
