

SUNRISE FAMILY FOCUS – THE LUBBERS FAMILY

Family: The Lubbers family consists of Dan, Terri, Steven (15, a freshman at Hudsonville High School), and Rebecca (13, a 7th grader at Baldwin Street Middle School).

Occupations: Dan is a police officer with the Grand Rapids Police Department for 18 years this July. Terri is the Outreach Director at Georgetown CRC for 8 years.

How they came to join Sunrise: The Lubbers visited once or twice when Todd and Christy Hultink joined Sunrise. Over the years, they (mostly Terri)

would check in on Sunrise's website. This fall, they felt called to visit Sunrise on a regular basis to see if this was the place for them and they've been here ever since.

Hobbies they enjoy: Dan enjoys competitive and recreational sailing, boating, and biking; Terri enjoys bowling, reading, walking their dog Mazie, and "down time" at the end of the day with Dan and the kids; Steven plays indoor and outdoor soccer, enjoys computer and video games, and bowling; Rebecca plays indoor and outdoor soccer, enjoys scrapbooking, reading, and photography.

Most memorable family experience of this past year: The Lubbers enjoyed a week in Tennessee in a chalet in the Smoky Mountains. Also, feeling the love and support of family and friends when Steve was in the hospital last November. It was one of the times in life when they felt God's peace and comfort from the prayers of others.

If they had a blank check to take a family vacation anywhere, where would they go? They would go to Hawaii or to Europe.

Three words that describe the Lubbers family: Committed, laughing, and blessed.

(con't on next page...)

How can Sunrise pray for the Lubbers family? Please pray for good health for all of them. Pray for Dan in his work as a police officer. Pray for Steve and Becca as they finish up the school year and that they have good friendships and continue to make wise decisions.

Their favorite Bible Verse: Dan—Book of Ecclesiastes; Terri—Matthew 7:7-8; Steven—Genesis 1:27; Rebecca—Romans 8:26-27

Words for Wellness...

A healthy eating plan means more than choosing the right foods to eat. Some ways of cooking are better than others in cutting out certain fats, cholesterol, and calories. At the same time, you want to get as much nutritional value as possible. Some examples of healthy cooking methods include grilling, broiling, stir frying, and using the microwave.
