## SUNRISE FAMILY FOCUS – DAVID & HEATHER BREEN

**Family:** This family includes David (25), Heather (25) and their cat Mzungu (1).

**Occupations:** David is a respite care provider for Allegan County Mental Health Services. He also works as a long-term substitute teacher during the school year. Heather has been a special education teacher for the last two years, but will now work as a reading specialist at Jenison Junior High School.

**How they came to join Sunrise:** David has always followed his dad to whatever church he has been the pastor of, and it was no different with Sunrise. Heather first came to Sunrise with David after they started dating.

**Hobbies they enjoy:** The hobbies they enjoy include traveling, boating, playing games, and going to the beach.

**Most memorable family experience of the past year:** About a year ago, David & Heather took a month long vision trip to Uganda. While they were there, they were able to work along side missionaries serving in Uganda. They were able to work with struggling students in the Christian primary school, listen to stories of LRA victims, visit the blind and disabled, set up a resource center for local pastors, and teach families with children with disabilities how to care for their children. This was a very humbling experience for David & Heather as a couple and it opened their minds to short and/or long term missions in Uganda in the future.

**If they had a blank check to take a vacation anywhere, where would they go and what would they do there?** If they had a blank check to travel anywhere, David & Heather would love to take a boat around some of the Pacific Islands including Fiji, Bora Bora, and Tahiti. They would love to spend some time enjoying the sunshine and beaches.

**Three words that describe this family:** Caring, Creative and Fun-Loving.

(con't on next page...)

**How can Sunrise pray for this family right now?** Please pray for David & Heather as they continue to seek God's will and call for their lives. Also, please pray for them as they prepare for this coming school year and as they plan their return mission trip to Uganda.

**What is their favorite Bible verse?**

[Luke 10:2](#) He told them, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."

### KidZone Registration...

Registration begins today for your child(ren) for the 2010-2011 KidZone program. Be sure to stop by the registration table and sign them up, so directors Deb Bennett & Mary Henderson can continue with the planning and preparations. Also...**Kidzone teachers are needed!** We are going to be trying a new format this year and we are in need of 6 teachers per zone. Teachers will still be teaching every two weeks. They will be placed on a rotating schedule and will be teaching once every 3 months. This way kids will become familiar with who their teachers are. Sign up sheets on are on the table. Please sign up today! Any questions, please see Mary Henderson ([rmhenderson5302@sbcglobal.net](mailto:rmhenderson5302@sbcglobal.net)).

**Women's Beth Moore Bible Studies** - This year, the Women's Bible Studies will be studying the Beth Moore Bible Study series *Believing God* and we encourage all the women of Sunrise to join one of the three groups offered. We'll begin the week of October 4 and we offer a variety of days and times with the hope that one of them works with your schedule. See the insert in today's bulletin for more information on this study and be sure to stop by the registration table to sign up! If you've never done a Beth Moore study before, please join us and see how you will be blessed!

### **Men's Wednesday morning Bible Study...**

Men of Sunrise, looking for a 'little bit' of Bible study? Looking for 'a couple guys' to talk to? Looking for somewhere to "share or help unburden some concerns"? Well, feel free to join us on Wednesday mornings at 6:30am (yep - that's in the morning). Share a cup of coffee, do a little study, share some thoughts with where your life is, pray with and for each other. This isn't some 'big, deep think-tank', just a group of guys trying to hold each other accountable in today's world, with Christ as our mainstay!! We'll meet at 6:30am, at the church office, beginning September 15th. Questions - give me a call @ 340-9497. Gary House

### **Festival at the Pines...**

The No. 1, immediate priority for the Festival at the Pines is to get your foursome sign up sheet for the golf into Josh Broek, Kevin Meyer or Josh Helmholdt. Even if you do not have the money for your foursome yet, please submit the sign up sheet with the names of the four players on it. Until we get a better feel on how many foursomes we have and still need, we cannot move forward with some of the other aspects of planning for the event. Forms to register golf foursomes as well as forms for hole sponsors are on the information table this morning and will be for the next several Sundays. You can also request them by contacting:

Josh Broek @ [joshuajbroek@hotmail.com](mailto:joshuajbroek@hotmail.com)

Josh Helmholdt @ [hemy12@hotmail.com](mailto:hemy12@hotmail.com)

Kevin Meyer @ [barefootskr@yahoo.com](mailto:barefootskr@yahoo.com)

Even if you do not play golf, we still encourage you to find friends and/or family members who do play and encourage them to join us on Sept. 11. For those Sunrise members who are planning on playing, we encourage you to sign up with three friends and/or family members from outside the church so we can extend our reach with this event. We are also still taking hole sponsors. A hole sponsorship is \$200, or you can combine a hole sponsorship and get a foursome in the event for just \$350. The Festival at the Pines will be a time of fun and fellowship for the church and those outside our church community, while also having the potential to be a significant contribution to our building fund, so please pick up a brochure and/or golf form and take some time this week considering assisting this event. Thank you.

### **Words for Wellness...**

School is just around the corner and time to start getting the kids ready! It is time to check if immunizations are up to date, physicals- including sports physicals- are done, and school supplies obtained. It can be very helpful to start a bed time routine. Be positive and encouraging as your child begins another school year!
